

LED STAGE TRUCK "GIG RIG" HIRE

ABOUT US

Sniper Marketing was founded in 2011, as a solutions hub for the advertising and marketing industry. Our main focus being marketing, activations, road shows, events and campaigns.

Our team of solution and innovation driven professional marketers, activation managers, advertisers, sound and visual technicians are always here to help your brands project in a language that your target market understands and appreciates.

We aim to be your brands partner in creating innovative solutions for all your communication needs. Our solutions are built around your strategy as a business, we aim to be your partner in moving your brand forward.

Our LED Stage Trucks "Gig Rig" can be used for activations, road shows, outdoor, events, crusades, campaigns and transit advertising.

Mission

Our mission is to be your partner in the development and maintenance of your brands image.

Vision

We envision being a leader in advertising management, easily recognized for our quality and innovative solutions delivered across the African continent.

Values

*Our values are based on:
Team work, commitment to the client,
respect of employees, ethics, trust,
innovation & quality.*
